Computer fund @ Rs. 150/- will be charged from the students who opt Computer Science/IP as an elective subject.

At present Government employees (whose wards constitute approximately 73% of total students enrolment) are entitled for reimbursement of fees @ Rs. 1250/- per month per child. Therefore, there shall be no burden on the parents as entire amount of revised fee will be reimbursable to them from their Office/Department concerned.

Remianing 27% of the school children are falling under the private categoroy (Vth category). Out of the 27%, 12% of the children are exempted from the payment of fees. However, even after the fee hike the fees charged by Kendriya Vidyalayas will be less than the prevailing fees charged by the private/ public schools in the country.

Causes for enhancement of fees and utilization of additional funds:-

- (i) To provide for creation of ICT-enable class rooms in the Vidyalayas to modernize the teaching-learning environment as mandated through ICT policy of Govt of India which has further been stressed upon by the CBSE calling its affiliated institutions for conversion of at least one class room in each class into IT-enabled smart E-Class rooms, to begin with and increase the said infrastructure in a phased manner.
- (ii) To provide for creation of corpus at RO/Hqrs level for meeting the infrastructural (building/sports etc.) requirements of the KVs as a whole by way of regular contribution in the form of remittance as certain percentage of the total collection of VVN fee. The existing contribution payable by the Vidyalayas to KVS RO Deposit Account, Regional Sports Control Board Account and National Sports Control Board Account at rate of 5%, 3% and 2% respectively will remain unchanged. In addition to the above a separate contribution of 20% will have to be remitted by all Kendriya Vidyalayas quarterly from the VVN collection to KVS (HQ) through their Regional Offices. Such contributions will be utilized by the KVS (HQ) towards major maintenance/ repairs and construction of additional class rooms/ laboratories/ playgrounds/ auditorium etc. for the existing Vidyalayas. This contribution may not be utilized for construction of school buildings/ staff quarters for the newly sanctioned Vidyalayas for which financial support is provided by Govt.
- (iii) To provide for creation of suitable infrastructure for Language Labs etc.
